

## KT-B80 Biological Indicator Incubator

# **Description:**

temperature incubation of the EO Biological Indicators. The thermometer is included with the incubator, provides easy verification of incubation temperature. verification of incubation temperature.

### Features:

- Energy-efficient design.
- Applicable to 24V power adapter.
- Accurate to ± 0.3°C.
- Process of experiment is visible.
- Electronic calibration. User can reset to any local standard.
- Power supply provided is UL, CSA and CE approved.
- Custom blocks made to fit any sample holder.
